STATEMENT OF STUDENT RESPONSIBILITY

I verify that I have read all the information regarding admissions to the Medical Product Safety & Pharmacovigilance (MSP) Program, and understand the steps I must take to qualify for admissions. I understand that it is my responsibility to notify the Admissions, Registration and Records office regarding changes in name, address, or phone number through [eForms](#).

I understand that all official communication from the college is delivered via ConnectMail, including Health and Wellness admissions decisions.

I understand that my MSP Admissions Application will not be accepted if incomplete.

I understand that the criminal background check and drug screening are **not** required to be completed prior to applying to the Medical Product Safety & Pharmacovigilance (MSP) Program (this will be started after attending mandatory orientation).

I understand upon my acceptance to the Medical Product Safety & Pharmacovigilance (MSP) program, clinical sites require a **criminal background check** and **drug screening** prior to my placement for training at that site. I understand I will pay a fee directly to a designated vendor for this background check. I understand that if I am admitted to the MSP program but am denied clinical placement by any of the hospitals/healthcare facilities, I will be unable to successfully complete the MSP program as the program’s clinical objectives cannot be met. Program admission on two occasions with two clinical denials will be considered a second entry into the MSP program. Students are only allowed two entries (admissions) into the CTR program.

I understand that upon acceptance to the MSP program, I will be given a Student Medical form and required to complete a physical examination and assessment (including proof of immunizations or titers). I must maintain up to-date health care insurance throughout the program.

I understand failure to upload the completed clinical requirements and documentation **by August 10** (no exception or extensions) may result in the inability to progress in the program or dismissal from the program.

I understand that accepting a seat within the MSP program counts as the first admission. A maximum of **two** admissions are allowed.

Statement of Policy Regarding Acceptance for Clinical Training in the Following Programs at Durham Technical Community College

Associate Degree Nursing	Medical Assisting	Practical Nursing
Anesthesia Technology	Occupational Therapy Assistant	Respiratory Therapy
Clinical Trials Research Associate	Pharmacy Technology	Surgical Technology
Health Information Technology	Medical Product Safety and Pharmacovigilance	

Students accepted into the above programs must meet the standards of both the College and the affiliated clinical sites in order to participate in the appropriate clinical training for the program. Each clinical site where a student receives training reserves the right to refuse clinical training to any student found to be unacceptable according to that site's policies and regulations. **Clinical sites require a Criminal Background Check (CBC) prior to the student's placement for training at that site.**

Reasons for refusal could include, among other considerations, a documented criminal background check indicating convictions for drug or alcohol related charges, child abuse or molestation, burglary, larceny, or other convictions deemed inappropriate to the particular clinical setting. In addition, students may be required to submit to a 12-panel drug screening per the clinical site's requirement.

The student must conform to and be subject to all policies and regulations of the assigned clinical site. The site reserves the right to end clinical training of any student whose performance violates rules, policies, procedures or professional standards expected by the agency. Written justification from the clinical site will be provided to the college for such suspension. The clinical site and college personnel reserve the right to take appropriate immediate action, when necessary, to maintain the proper and safe operation of its facilities and the safety of clients in the clinical setting.

Criminal Background Check and Drug Screening: When students are admitted into the program of study, the student receives the CBC and drug screening information and directions: The criminal background check will include reports from all states where the student has lived, worked, or gone to school from the date that they turned eighteen (18) years of age. The CBC will include both felonies and misdemeanors. The National Sex Offender Registry is included in the CBC. Flagged reports are sent directly from the designated CBC vendor to the clinical sites. Durham Tech does not retain copies of the results. **Note: Please do not get this report from your local police department.** The drug screening is a 12-panel test.

Students will pay a fee directly to a designated vendor for the CBC and drug screening.

Additional information on the [Criminal Background Check requirement](#) may be obtained from the Durham Tech website.

I verify that I have read and fully understand the Statement of Policy Regarding Acceptance for Clinical Training at Durham Technical Community College. I also understand that a criminal background check and/or drug testing will be required for placement in clinical training sites for Durham Technical Community College.

Durham Technical Community College English Language Requirement Form

All health care workers (native and non-native U.S. English speakers alike) are expected to use clear communication skills in the workplace. Students whose native language is not U.S. English are expected to demonstrate "near native" U.S. English language abilities. To confirm this ability, all students entering a Health Technologies program are required to meet the English language requirement.

Students meeting the following criteria must comply with this revised requirement:

1. Students who applied to a Health and Wellness program on or after January 1, 2016, **OR**
2. Students who applied to a Health and Wellness program before January 1, 2016, but have not yet met the previous English language requirement.

Please check the **ONE** that applies:

- I have only attended a U.S. high school, and my first language is U.S. English.
- I have attended school outside the United States.
- My first language is not U.S. English.

If you checked the first checkbox, please sign here. There is nothing further that you need to do.

I understand that this is an official Durham Technical Community College document and that any falsification on this document may result in disciplinary action according to the Student Code of Conduct.

If you checked the second or third checkboxes, you must meet the English Language Requirement by successfully completing **one** of the following options listed on the following page.

1. Take the Duolingo English Test and score 100 points or higher **or**
2. Take the Test of English as a Foreign Language (TOEFL), iBT version (obtain a score of 22 in listening and above 26 in speaking **or**
3. Complete EFL 055 OR EFL 064 and other EFL courses as recommended or required by placement testing (obtain a score of 80% or above).

Note: Scores for the above tests and classes are valid for up to 5 years.

I understand that this is an official Durham Technical Community College document and that any falsification on this document may result in disciplinary action according to the Student Code of Conduct.

I checked the second or third checkboxes; however, I have met the English Language Proficiency Requirement as follows:

- I have taken the Duolingo English Test and scored 100 points or higher.
- I took the Test of English as a Foreign Language (TOEFL), iBT version and scored above 22 in listening and above 26 in speaking.
- I have completed one or more EFL curriculum courses in the areas listening/speaking and have scored an 80% or higher.

My signature below indicates that I am responding truthfully.

How to complete this section: Fill in your name but no other information in the admissions application and email it to wilderp@durhamtech.edu. She will sign it and return it to you. You can then complete the application and submit it electronically (see instructions at the top of the application).
